FOR IMMEDIATE RELEASE

NUHSA Requests Nominations for the 2010 Human Service Award -

**Nominate an outstanding individual, business or organization who has
made exemplary feats in the progression of human services
throughout North King County.**

The North Urban Human Service Alliance (NUHSA) is an alliance of City, County and State staff, non-profit human service providers, United Way, school districts, faith communities and concerned citizens. Their mission is to build the community's capacity to respond to human service needs in North King County, encompassing the Cities of Shoreline, Lake Forest Park, Kenmore, Bothell and Woodinville.

NUHSA will hold their Annual Meeting and Human Services Awards October 28, 2010, where they will recognize both an exemplary individual and an organization or business that has made outstanding efforts to support human services. Nominees will be considered based on their efforts to benefit low-income residents in North King County and around the way in which their efforts support NUHSA's four goals:

North Urban Human Services Alliance

- Provide a strong voice and leadership role in local and regional human service decisions.
- Identify and communicate emerging community human service needs and issues.
- Support cooperation, coordination and collaboration among providers, funders and the community to enhance resources and the ability to respond to need in the community.
- Advocate for a continuum of care that increases access to services.

Nominations can be made at: www.NUHSA.org/. For questions, or to obtain a nomination form, if you have no ability to access the NUHSA website, you may obtain a form by emailing HumanServicesAward@gmail.com or calling the office at: 206.675.2900.

The award ceremony will be on Thursday, October 28, 2010, at Third Place Commons (9:00 – 10:30 am) at the Lake Forest Park Shopping Center, 17171 Bothell Way NE, Lake Forest Park, WA 98155.
